February/March/April 2023 STEM Programs

Join us at the MSPMLC for learning and fun!

MASSACHUSETTS STATE POLICE MUSEUM AND LEARNING CENTER

Saturday February 25, 2023
11:00am-12:30pm

On the Case with Detective McNab:

Did Humpty Dumpty Actually Fall? Or is there Something more?

New evidence has come to light, so Det. McNab is reopening the case. Come help him crack the case once and for all! Participants will listen to new evidence and search for new clues to help Det. McNab.

Ages 6-9. Limit of 15 participants
$10.00 fee for materials and supplies

Saturday March 18, 2023
11:00am-12:00pm

On the Case with Detective McNab:

Is the Big Bad Wolf Causing Trouble Again?

The Fantasy Forest animals are concerned. They believe the Big Bad Wolf is up to his old antics. Residents are being scared along the path. The 3 Little Pigs swear they've seen him sneaking around their houses. It's up to Det. McNab to get to the bottom of it! Can You help! Come look at the evidence, search for more clues, listen to witness reports. Then you decide is it the Big Bad Wolf? Or another mischief maker?

Ages 6-9. Limit of 15 participants. $10.00 fee for materials and supplies.

Saturday April 1, 2023
11:00am-12:30pm

On the Case with Detective McNab:

The Case of the Missing Easter Eggs!

The Easter Bunny is in a state! Easter is a week away and he's missing his famous Easter eggs. Det. McNab reports this is no joke! We have an important case on our hands. Come help him solve the mystery and find the Easter egg stash! Participants will search for and collect evidence, decide if a crime has been committed and find the culprit.

Ages 6-9. Limit of 15 participants
$10.00 fee for materials and supplies

All programs are designed to align with Massachusetts Curriculum Frameworks.
